**CLIMATE AND CLEAN AIR COALITION**  
TO REDUCE SHORT-LIVED CLIMATE POLLUTANTS

**COP19 November 2013**  
**#COP19SLCP**

**“If someone proposed that you could save close to 2.5 million lives annually, cut global crop losses by around 30 million tonnes a year and curb climate change by around half a degree Celsius ...  
what would you do?”**

**“Act of course ...”**

Achim Steiner  
Executive Director  
United Nations Environment Programme (UNEP)

# Mission

- **Political leadership to address SLCPs as a global and collective challenge** to protect the environment and public health, promote food and energy security, and address near term climate change
- **Voluntary, action-oriented, partner-led Coalition**
  - Feb 2012 -> 6 Partners
  - Nov 2013 -> 75 Partners: 34 States, IGOs, NGOs and private sector
- **Science driven, catalytic, building on existing efforts**
- **Complementary to global efforts to reduce CO2 in particular under UNFCCC**

# Catalyzing Action

## 10 high impact Initiatives underway
